## CLASS DESCRIPTIONS

**SilverSneakers® Classic** - Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance, and a chair is used for seated and/or standing support. (Level 1)

**SilverSneakers® Circuit** - Combine fun and fitness to increase your cardiovascular and muscular endurance with a standing circuit workout. Upper body strength work using hand-held weights, elastic tubing with handles, and a ball is alternated with non-impact aerobic choreography. A chair is offered for support, head-to-toe stretching, and complete relaxation in a comfortable position. (Level 2)

**Zumba® Gold** - Zumba Gold modifies the moves and pacing of Zumba to suit the needs of the active older adult, as well as those just starting their journey to a fit and healthy lifestyle.
