Mr. David Kovac,

We are submitting our schedule for the first phase of the Milling and Paving operations under this contract. Based on our discussions and physical site reviews, we understand that all the street locations are ready. This is proposed and weather dependent.

We plan to mobilize our equipment so that we can start to perform the Base Bid Milling (5/6/19) and Paving (5/8/19) for the street locations as follows:

Starting Mon. May 6th, 2019 (Milling Operations)

- Whetherburn Drive then Lynhurst Circle

Moving Thurs. May 9th, 2019 (Milling Operations)

- Fox Meadow Drive and Fair Vista Court

Starting Wed. May 8th, 2019 (Paving Operations)

- Whetherburn Drive then Lynhurst Circle then
- Fox Meadow Drive and Fair Vista Court

Proposing to move to Pinkerton Road Mon. May 13th, 2019. We will update as we progress through the work on these streets.

The schedule for the remaining street locations will be determined and based upon the progress of our crews completing work for these streets.

We have completed the PA One Calls and handing out of the resident notices (Door Hangers) for these locations as of Wed. May 1, 2019

If you have any questions or comments please call myself or Jody Topick (724) 991-1517.
